

Andy on Base

Whitepaper V.1

Intro

Along with best friends Pepe, Brett and Landwolf, Andy's iconic character featured in Matt Furie's now classic Boy's Club comic book series.

Today, Andy has evolved to become a freedom fighting rebel that represents the best of us, and he doesn't pull any punches. You wanna be free? Then become one with Andy, and fight!

Andy was created with a long term view, and has succeeded in positioning itself as one of the strongest memecoins on Base heading into the bull.

From the creation of studio quality artwork and viral short-form content to ensuring safety to maintaining full transparency to strategic networking with key players, the team believes in a more professional approach.
